HUNTER K50 REEV

CHANGAN HUNTER K50 REEV

A bold step into the future where power meets progress, and tough finally meets technology. With its range-extended electric drive and rugged utility, the Changan Hunter K50 REEV is built for next-gen drivers who want to lead the charge. It's an all capable, all confident pickup - where tomorrow's innovation comes standard.

A BAKKIE BUILT TO CHARGE AHEAD

The Hunter K50 REEV is a declaration:
That the hard-working, get-it-done South
African doesn't need to be left behind in
the EV future.

The Hunter K50 REEV delivers the muscle you
can trust with the innovation you deserve:
A perfect balance of force and foresight.

FUTURISTIC FORM, BUILT TO INSPIRE

The Hunter K50 REEV introduces a bold new silhouette to the local bakkie market, with futuristic sculpted lines, an aggressive grille and sleek proportions that look unlike anything on the road. It's design that sets the tone for tomorrow while staying true to rugged practicality.

ADVANCED ILLUMINATION, MODERN IDENTITY

LED headlamps with distinctive signature lighting create a striking front profile, offering both functionality and flair. Combined with daytime running lights and a purposeful stance, the Hunter K50 REEV announces its presence with confidence, day or night.

LED Headlamps

Bold Front Grille

18-inch Alloy Wheels

STRENGTH WITH PURPOSEFUL STYLE

High ground clearance, muscular bodywork and integrated chrome touches balance futuristic design with the rugged queues expected of a pickup.

Utility meets artistry the Hunter K50 REEV proves that durability and sophistication can exist together.

ELECTRIC INTELLIGENCE, EXTENDED RANGE

The Hunter K50 REEV is powered by both an electric motor and a petrol generator. This combination ensures you always have the power you need, with the reassurance of extended range when it matters most.

31.2 kWh Battery
200 kW Total Power
470 Nm Torque

GO FURTHER ON EVERY CHARGE

The Hunter K50 REEV is equipped with 31.2 kWh battery capacity, delivering a combined total power output of 200kW and 470Nm of torque. Two independent high-output motors power the front and rear wheels, offering 4WD and a pure-electric driving range of up to 145 km (CLTC). And when the journey stretches further, the 2.0 l turbo-charged petrol generator automatically extends the range up to 1000 km, completely eliminating typical "range anxiety."

FAST, FLEXIBLE CHARGING

Charging is designed to fit your life: a DC fast charge takes the battery from 30% to 80% in just 30 minutes, while a standard AC charge can fully recharge the Hunter K50 REEV overnight. This cutting edge REEV architecture gives you the best of both worlds - the instant torque and efficiency of electric, backed by the dependability of traditional power when you need it.

30 min Fast Charge

FUTURISTIC CABIN DESIGN

The Hunter K50 REEV's interior is designed with the future in mind a wrap around cockpit layout, sleek digital displays and intuitive controls create a space that feels more like a high-tech lounge than a traditional bakkie.

PREMIUM MATERIALS, ELEVATED COMFORT

Soft-touch surfaces, refined detailing and ventilated high-quality leather seating provide a level of luxury reserved for premium EV-SUV's. Every surface has been crafted for tactile comfort, ensuring both driver and passengers feel at ease no matter the journey.

Elevated Premium Interior

SMART, SPACIOUS, FUNCTIONAL

Beyond aesthetics, the cabin is built for intuitive practicality. A massive 12.3-inch HD infotainment system anchors the dash, while thoughtful storage spaces, ergonomic seating and generous passenger room make every drive both comfortable and convenient.

EFFORTLESS EVERYDAY USE

From the moment you approach, the Hunter K50 REEV makes life simpler with keyless entry with push start/stop, remote window operation and remote start capability. No more fumbling for keys, just walk up to the Hunter K50 REEV, get in and go.

Smart Key with Keyless
Entry & Remote Start

Multi-Function Steering Wheel

SMART CONNECTIVITY AT YOUR FINGERTIPS

The cabin integrates the latest in modern convenience with wireless charging, a high-definition driver information display. Seamless mobile integration is delivered through a panoramic 12.3-inch infotainment screen with mobile phone mirroring, ensuring that you're always connected, wherever the road takes you.

ULTIMATE CITY CONFIDENCE

Parking becomes stress-free with a 540° view high-definition camera reverse camera system with parking sensors, adaptive cruise control and a tyre pressure monitoring add layers of ease and reassurance to your daily drives.

540-view panoramic camera

Wireless Charging

REFINED COMFORT AND CONVENIENCE

The Hunter K50 REEV takes in-cabin comfort seriously, with ventilated 6-way electrically adjustable seats, climate control with pollen filters and multiple smart-storage spaces. A cooled glovebox, sunglasses holder and mobile phone pad with wireless charging offer premium touches in unexpected places.

ADAPTABLE DRIVE MODES

From city streets to rugged trails, the Hunter K50 REEV is ready for every journey. With multiple drive modes and rear multi-link suspension to match different terrains and driving needs, the Hunter K50 REEV delivers confidence and control wherever the road takes you.

BUILT TO LOAD OR HAUL

Built to work as hard as it looks, the Hunter K50 REEV offers a generous payload capacity of 1,000kgs and a commanding ground clearance of 220 mm, that make it equally at home on worksites or adventure routes.

OFF-ROAD CAPABILITY

Equipped with advanced features like hill descent and ascent Control, trailer sway control and a robust 4WD system with central differential locking and lateral stability control the Hunter K50 REEV proves that future-ready mobility doesn't come at the expense of real-world toughness. It's a next-generation pickup engineered to handle South Africa's most demanding landscapes.

INTELLIGENT AWARENESS, THAT THINKS AHEAD

Stay ahead of the unexpected with features like electronic stability program with traction control, lane departure warning, forward collision warning, emergency braking and brake assist. The Hunter K50 REEV is designed to anticipate, alert and support you on every journey, so you're never caught off guard.

A COMPREHENSIVE SAFETY SUITE

The Hunter K50 REEV is equipped with multiple front, side and curtain airbags, giving all occupants peace of mind. Its collision auto unlock system - with auto fuel cutoff - ensures safe exit in emergencies, while electronic stability programs, ABS and EBD offer increased levels of control on all surfaces.

CHANGAN JOURNEY

When you choose Changan, you're not just choosing 160 years of innovation, you're choosing peace of mind and confidence for the long road ahead. Journey Care is a comprehensive, end-to-end after-sales promise designed to keep your journey running smoothly and consistently, long after you've driven off the showroom floor.

From service and maintenance plans to extended warranties, roadside assistance, and the peace of mind that comes with servicing at an approved Changan dealership, every element of Journey Care works together to protect your investment, your time and your peace of mind. Because being Driven to Evolve means standing by our Changan drivers, with care that goes the distance.

WARRANTIES: CONFIDENCE COMES STANDARD.

Your new Hunter REEV is backed by a comprehensive 5 Year / 150 000 km Warranty that protects against manufacturing and mechanical defects for the duration of your coverage period. An additional 8 Year / 150 000 km Warranty is applicable on the Battery, for added peace of mind. It's our promise of reliability and quality - so you can focus on the road ahead. For a full list of all parts covered under your Warranty, please visit changanmotors.co.za.

CHANGAN DEALERSHIP ADVANTAGE: THERE'S NO SUBSTITUTE FOR GENUINE CARE.

Servicing your vehicle at an approved Changan dealership means every technician is factory-trained, every part is genuine, and every update keeps your warranty intact. It's the smarter, safer way to protect your investment and keep your Hunter REEV performing at its best.

Visit changanmotors.co.za to locate your nearest authorised Changan Dealer.

MAINTENANCE PLANS: FOR COMPLETE PEACE OF MIND.

Changan Maintenance Plans go beyond regular servicing to include the replacement of key wear-and-tear components. A 5 Year / 90 000 km Maintenance Plan is available on your new Hunter REEV.

From brake pads to wiper blades, you're covered for the parts that keep your journey smooth and safe - no unexpected bills, just worry-free driving.

ROADSIDE ASSISTANCE: HELP IS NEVER FAR AWAY.

With 24-hour Changan Roadside Assistance, you're covered for breakdowns, flat tyres, battery jump-starts, and more - anywhere in South Africa. One call connects you to expert support, because every journey deserves backup you can trust.

DRIVEN TO EVOLVE

At Changan, we believe mobility should never stand still. Every vehicle we create is designed to evolve - in the way it looks, the way it feels, performs and the way it fits into your life. From bold styling to intelligent technology, each model is built to adapt as your needs change and the world continually moves forward.

For South Africa, it means offering cars that not only keep up with the times but actively shape the future of mobility. Cars that make tomorrow's innovations accessible today, keeping you ahead of whatever comes next.

Changan is the perfect partner for South African's that won't settle for ordinary. Change is inevitable. And we're driving it.

Changan. Driven To Evolve.
